

Washington Alaskan Malamute Adoption League

Owner Listing Agreement

We would like to help you place your Alaskan Malamute by listing him/her on our website.

Our goal is to find the best match for any dog we place; we want the home to be their permanent home, so sometimes this may take a little while. We are all very experienced with placing dogs and screening applicants, and while you should still try to solicit homes yourself, you may want to send a potential adopter through us as a double check.

We are essentially a referral service. We prescreen any applicants we would send to you, do a home check and interview, but it is up to you to talk with them to determine whether this is a home you would like for your dog, and request that you help us to help you by being as flexible as possible.

If we are successful in finding a new family for your dog, WAMAL will collect an adoption fee of \$300. from the new family, and have them sign an adoption agreement. If for any reason the adoption does not work out, WAMAL will take the dog back and assume responsibility for finding it a new home.

I request that WAMAL list my dog(s) as available for adoption and agree to work with them to re-home my dog(s). I understand that after they are adopted I will have no further legal ownership of the dog(s).

Read, understood and agreed to on this _____ day of _____, 20__.
